# The RAMS Horn

**Obituary**

## Roger Olsen

Long-time RC enthusiast **Roger Olsen** passed away on January 9th at 83 years old. Roger was a member of the RAMS club and several other clubs in the area. He started with model aviation back in the 1950's and grew his skills all the way to the top—turbine jets. If you haven't read Roger's pilot profile on the ramsrcclub website, it's a very interesting read especially when it comes to all the innovation that the radios went through. Probably like most of us, Roger started RC

on the surface with an electric tug boat. But back then the controls were one click for right, two clicks for left. It's amazing the 'C' in 'RC' stands for "Control" considering how rudimentary the early systems were. Unfortunately I never saw Roger fly and didn't have a photo of him, but included is an old picture from his pilot profile in 2005 featuring his Bobcat turbine jet.

## AROUND THE AREA

## Upcoming Events

## Monthly Recap

## January in Review

## Elections

At the last meeting we held our annual officer elections. Our new officers are as follows:

- President: **Tim Sorensen**
- Vice President: **Tim Welch**
- Treasurer: **Dave Lane**

Having a new treasurer means our field license applications will be mailed somewhere differently than we have for the past several years. Please see the updated Field License Application with Dave's address on them on our website under Documents:

<https://ramsrcclub.com/documents/>

## Field Condition

Thanks to **Mike St. John** for the drone pictures of the field flood:

At the Field

## Winter Flying

Here's a few pictures of winter fun flying with what snow we had.

## Event

# Milwaukee Co. RC Assoc. Swap Meet

Here's a few pictures of the annual Swap Meet.
