Monthly Recap

October in Review

That's kind of a wrap on the main flying season. The weather is colder and days are shorter. There aren't even any swap meets for the rest of the year in the area that I know of. We will have our holiday party during the December meeting, so that is something to look forward to! Also, there will be a swap meet hosted by the Milwaukee County RC Association in 2026!

Try not to get cabin fever over the winter or next spring you might find yourself trying this...
